

Nepalese Society of Periodontology and Oral Implantology

2nd Annual Conference

18th and 19th March 2016
Waterfront Resort, Lakeside Road
Pokhara, Nepal

Theme
Interdisciplinary Periodontics

Dear Colleagues,

The Nepalese Society of Periodontology and Oral Implantology is a non-profit making association of periodontists and implantologists in Nepal formed in January 2014 with the primary aim of promoting and enhancing the knowledge and science of Periodontology and Implantology. The society was formed with the objective to protect the professional rights of Nepalese periodontists and oral implantologists, to provide awareness among Nepalese people regarding oral health and education, to provide suggestions to the Nepal Government and NGO and INGO regarding oral health whenever required, to uplift the quality of postgraduate education in Periodontology and oral implantology and to conduct annual conferences, seminar, training on periodontology and oral implantology in the country.

As a society we are evolving and to mark the 2nd Anniversary of our society, we are proud to announce the 2nd Annual Conference being held on 18th-19th March 2016 at beautiful city, Pokhara. We request one and all to come and attend the scientific sessions which have been designed from a clinical point of view to enable us enhance our standards of practice.

Come and be a part of the historic event.
